

pass the DREAM Act? Our lives depend on it. I feel a special, personal obligation to these young people.

I want to take this story to my colleagues because I think they believe that America is a just and caring country, that these young people can bring talent and service to our great Nation and they deserve a chance. They should not be punished for any wrongdoing by their parents. They deserve a chance to prove themselves and to make this a better nation.

Mr. President, I yield the floor.
